

Suggested Clothes List for Superweeks – The Wild Things

This is not a mandatory list but we recommend that you follow it as closely as you can. Monitors will be on hand to help younger children with packing and unpacking. Please label or mark all clothing (including shoes). We cannot take responsibility for items not marked with your child's name.

Try not to send too much! It is important that your child should be able to carry their own luggage at least for a short distance on travel days. Please avoid sending any items of great value (including expensive clothing). Small items of value can easily get lost and clothing damaged and spoilt. If your child is attending two or more consecutive Superweeks, laundry can be arranged.

Please note: It is inevitable that children's clothes and shoes will get dirty on a Superweek, although we will take as much care as is practical over clothing we would advise that for The Wild Things you send mostly old clothes in your child's luggage. It is important that your child brings a reliable waterproof.
