

Suggested Clothes List for New Year Superweek 2018

This is not a mandatory list but we recommend that you follow it as closely as you can. For the younger children, their monitor will look after this list and assist them with packing and unpacking.

Try not to send too much! It is important that your child should be able to carry their own luggage at least for a short distance on travel days. Please avoid sending any items of great value (including expensive clothing). Small items of value can easily get lost and clothing damaged and spoilt.

Please note: it is inevitable that children's clothes and shoes will get dirty on a Superweek, although we will take as much care as is practical over clothing we would advise that some old clothes and shoes are included in your child's luggage.
